

Those Fine Strangers - UK Ska Punk

Those Fine Strangers come blasting from the home of UK Ska, Coventry. Blending a mix of ska, rock, punk and 2tone influences to create a unique sound and energy-packed shows.

With James Smith (Guitar & Lead Vocals) up front, backed up by Andrew Holmes (Guitar), Jake Buckingham (Bass), Dom Evans & Phil Grainger (Sax), Paul Daleman (Trumpet) and Phil Crabtree (Drums) you'll hear songs ranging from the energetic "Fairytale", to the laid back "Spend a little Time" along with fan favourites "Can't Wait To Be King" and "No Style". Adding a few covers and Ska classics, you can't help but dance.

The new EP "Fairytale" features original songs from Those Fine Strangers and was recorded, mixed and produced by the GRAMMY award winning Roger Lomas.

Also available:

- Debut EP "Getting Away With It" featuring Ash Sheehan (Dead Sea Skulls & The Twang) on Trumpet. Available as a physical CD or online from iTunes, Google, Spotify, Apple Music, Soundcloud, Bandcamp etc.
